

GP

The original Torsion. A quality saddle built to the highest specifications for all purposes. Loved by horses and riders alike. Best Seller for over 15 years.

CLOSE CONTACT

The Torsion for smaller budgets. Ideal for wide Horses and Ponies. Designed with no flaps to reduce the "wide seat" feeling, providing closer leg contact.

ENDURANCE

The ideal saddle for the Endurance rider with a proven international track record. Additional padding for your horse's back, providing more comfort and performance.

DELUXE

Customer's favourite for jumping. With extra knee and thigh rolls for extra support when jumping or riding cross country. Designed to suit all horse types.

DRESSAGE

For Dressage riders and for those who favour a deeper seat. Flaps are designed for closer leg contact. A classic design in smooth, elegant calf leather. Approved by British Dressage.

Saddles can be ordered in different materials and leathers. Four size groups available for dress sizes from 6 to 18.

Saddle Selector

5 simple steps to choose your own Torsion:

- 1 Find the right saddle model to suit your horse, yourself, your taste and your budget (We help you!).
- 2 Select size and colour.
- 3 Identify a suitable pad type.
- 4 Identify a suitable girth length and shapeselection process.
- 5 Place your order and possibly ride in it within two days.

Don't worry, we offer help and advice throughout the whole selection process.

Pad Selector

The success of a Treeless Saddle lies in the quality and suitability of the Treeless Saddle Numnah called "Pad". We are happy to help you find the right one for your horse. Please see table on the right.

Girth Selector

Curved Belly

FRONT REAR

Girth slides forward pulling the saddle onto shoulders. A curved girth can help.

Curved Girth

Straight Belly

FRONT REAR

Girth stays in place, away from the front legs minimising any saddle pressure on shoulders.
